

Dynatrace Performance Benchmarks

Reports currently available by country, region, industry, and device.

All Homepage reports are available through a free subscription and can be signed up for at <https://www.dynatrace.com/benchmarks>. All Clickpath transaction reports are only available to Dynatrace customers through a paid subscription. Reports are delivered through email on a weekly schedule, with data and rankings for the previous two weeks. The benchmark service is an emailed report only. No data will be available within the Dynatrace portal.
