

## **Code of Conduct for Conference and Event Participants**

Dynatrace provides a harassment-free and inclusive conference experience for everyone. It is of utmost importance to Dynatrace that each and every person attending one of our conferences and events has a positive and rewarding experience, and to that end, we invite all panelist, sponsors, presenters, speakers, attendees, vendors, volunteers and others ("Participants") to help us realize a safe, respectful and positive experience for everyone. When you participate in an event hosted by Dynatrace you are contributing to the overall experience, which makes us all accountable to each other.

Dynatrace has established this Code of Conduct to provide guidelines to Participants and to ensure that all Participants understand what behavior is expected, and what behavior will not be tolerated at a Dynatrace event. Dynatrace expects all Participants to abide by this Code of Conduct at all events. This includes conference-related social events at off-site locations, and in related online communities and social media.

Dynatrace is dedicated to providing a harassment-free and inclusive event experience for everyone regardless of gender identity and expression, sexual orientation, disabilities, physical appearance, body size, ethnicity, nationality, race, age, religion, or other protected category. Participants asked to stop any harassing behavior are expected to comply immediately.
